MAURETTE BROWN-CLARK MORE THAN A SINGER

Atlanta, GA-July 24, Maurette Brown-Clark (AIR) turned her experience on TBN into a pure and powerful ministry moment, proving that Christian television can be an extraordinary television experience. Brown-Clark's stirring performance left onlookers moved to tears, reaffirmed in their testimonies and hitting their "My Space" accounts afterwards letting others

know. Brown-Clark's single, "One God" is one example of why people call her the 'Princess of Praise and Worship,' for she truly resembles a daughter of the King. If you missed the performance, check out the archive on TBN's website:

MALACO ARTISTS TAPE BOBBY JONES GOSPEL HOUR FOR B.E.T.

Maurette Brown-Clark recently brought her full band to a taping of the Bobby Jones Gospel Hour (B.E.T.) in Washington, D.C. moving everyone in attendance to worship and praise God with her as she sang. Building on her momentum, **Carolyn Traylor** (Malaco) sang the title track off her latest release, "There's A Story Behind My Praise," leaving no dry eyes in the house. **Dorothy Norwood** finished up a gig in New York City, caught a train to D.C. and met up with fellow **Caravans** to join the taping, as did **Spencer Taylor and the Highway QCs**.

Also watch for Luther Barnes and Mosie Burks in an upcoming Bobby Jones Broadcast.
