

MALACO CELEBRATES BLACK MUSIC MONTH

On May 31st, 2002, President Bush proclaimed the month of June to be “Black Music Month.” Celebrations will be held throughout the nation during the month of June to honor the invaluable contributions made to many genres of music—from gospel to blues, jazz, pop, and hip-hop—by African-Americans.

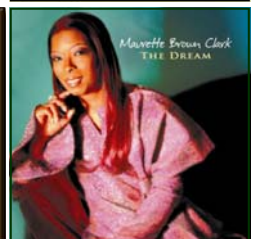

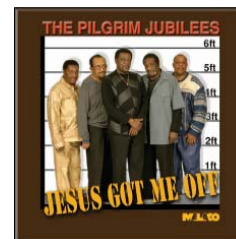

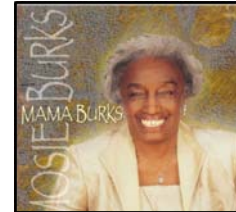

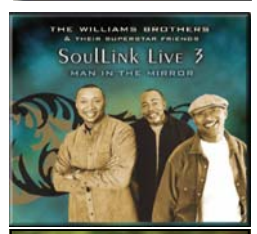

The Malaco Music Group houses the largest and oldest Gospel catalog in the world. We are proud of our place in preserving and promoting the purest forms of gospel music and would like for you to join with us in our celebration! Our label has been home to many legendary artists as well as the springboard for many new and celebrated artists that have moved to other labels, such as The Anointed Pace Sisters (Beginnings with Savoy....). From Traditional, Quartet, Choir, Soloist, Praise & Worship, Urban Contemporary & Hip Hop, we truly have it all!

If you would like a review copy of any CD from our catalog (a few are pictured at right), please don't hesitate to ask!
