“SOMEHOW, SOMEWAY” FINDS IT’S WAY ON TO WEDDING LISTS

As loving couples plan details of one of the greatest events of their lives, they hunt for the perfect song to aptly express the feelings of their heart toward one another. “Somehow, Someway,” has become a favorite among wedding planners. The lyrics to this special song are listed below:

SOMEHOW, SOMEWAY Luther Barnes

Some said we would never make it
And some said this would never be
But thank God we're still going on
And in my heart, I do believe

(Chorus)
Somehow, Someway, we're gonna make it
to the other side
United, hand in hand, we're gonna make it
to the other side

Even though we've had our share of trouble
And even though we've had our ups and downs
But through it all we came out for the better
And there is no way we can turn around, I believe that

(Chorus)
(Bridge)
Life will take us through many changes
Through things we may not understand
But with Jesus, with Jesus on our side
If we keep on holding on
We can weather any storm

I know we're gonna make it to the other side ...
